

4.4 Boost & improve your company’s internal communication

Table

Communication tool	Overview	Features							Integrations	More information
		Video call	Messaging	Group / private chat	Screen sharing	Threading	Notifications	Integration(s)		
Slack	This tool is built around messaging in channels and threads. It’s flexible and fairly intuitive to use but with little way to organize the conversation within a thread, it can be easy to miss important parts of a conversation within the message stream.	Pass	Pass	Pass	Pass	Pass	Pass	Pass	1500+ integrations with other communication and project management tools.	https://www.slack.com/?r=cmt
Gmelius	Gmelius empowers the Gmail inbox with a range of collaboration tools, and allows users to combine them together to automate workflows. Teams can manage group emails like sales@ and support@ directly from Gmail in the Shared Inbox. Email and ticket assignment make delegation and accountability clear. Sequences automate	Week	Pass	Pass	Week	Pass	Pass	Pass	Gmelius syncs in real-time across all team members and all their devices, and it integrates with Slack via 2-way, real-time syncing. More than the standard	https://gmelius.com/?utm_source=thedigitalprojectmanager&utm_medium=paid&utm_campaign=directories&utm_term=co

	workflows with “If this, then that” directions. Kanban boards integrated into Gmail inbox give teams visibility on the status of each project. The software’s shareable tools such as email templates, notes, sequences and boards allow teams to collaborate in real-time.								integration, it also allows your team to sync shared label and shared inboxes.	mmunication tools
Ryver	Ryver is a hybrid tool, supplying both communication and task management features. Ryver offers task management features like task boards, file sharing, task checklists, etc.	Pass	Pass	Pass	Pass	Pass	Week	Pass	Jira, Trello, Google Docs, Salesforce, GitHub, Asana, Dropbox, Google Drive and OneDrive	https://ryver.com/?r=cmt
Zoho Cliq	Going beyond the capabilities of employee communication tools, Cliq offers the ability to grant permissions to external guest users, who can easily access and navigate the easy-to-learn app in order to participate in	Pass	Pass	Pass	Pass	Pass	Pass	Pass	Appear.in, BitBucket, Box, Meetup, Stack Overflow, Trello, GitLab, Twitter, various email	https://www.zoho.com/cliq/?r=cmt

	discussions and conferences. This team communication tool offers audio and video conferencing, private, group and board messages, and a good system for managing both internal and external contacts. Their discussion threading and search is up to standard, and their built-in calendar works well for simple scheduling, though users often like to integrate their own calendar system (such as Google Calendar).								services, Dropbox and Google Drive	
Fleep	Fleep is a network (just like Skype or FB Messenger) that allows you to communicate with other Fleep users, or with any team on Fleep. In addition to its communication featureset, Fleep offers a native task management feature, which is a rare find in most communication tools.	Pass	Pass	Pass	Pass	Weak	Pass	Pass	JIRA, Confluence, Trello, Slack, GitLab and Github	https://fleep.io/?r=cmt

Slenke	Slenke combines of task management, time management, and communication. It's less of a stand-alone communications tool and more of a lightweight—but comprehensive—project management tool. In terms of communication, you can create messaging boards, and use both private and team chat.	Week	Week	Pass	Week	Pass	Pass	Pass	Add video/audio conferencing by integrating with Zoom or Google Hangouts. Through Zapier, you can sync with 1000+ widely-used tools like GitHub, Slack, Salesforce, Google Docs, Google Calendar, Zoho, Trello, various email services, etc.	https://slenke.com/?r=cmt
Flock	This communication app stands out with its chat module which is designed to streamline and centralize communication from different groups and across different teams. Going a	Pass	Pass	Pass	Pass	Pass	Pass	Pass	Trello, Airtable, Paperform, Slack, Asana, GitHub, Facebook Lead Ads,	https://flock.com/?r=cmt
